Dear Parents/Guardians,

Welcome to West Irondequoit Central School District! Are you interested in supporting your child? Do you have concerns about the health and safety of children and youth in general, and the educational opportunities available to them? Would you like to be more involved in encouraging your children's growth?

If so, you're the kind of parent we need. We're West Irondequoit Central PTA! We support better education, greater parent involvement, better resources, and safer schools for every child. Working together we can accomplish more than individuals could accomplish separately.

When you support the PTA, you join over 6.5 million others nation-wide who care about issues that affect children and youth such as: substance abuse, violence, internet safety, the environment, child nutrition and wellness, curriculum and academic achievement.

PTA membership support means:

- Making a difference in the lives of all children and youth
- Being an advocate for appropriate legislation to improve laws, policies, and conditions on behalf of children in both Albany and Washington
- Obtaining valuable information, news, and services to keep you abreast of key issues affecting your children
- Funding family events, scholarships, and cultural arts at all schools in the district
- Promoting quality education and a meaningful partnership between parents and administration
- Encouraging community involvement
- Fostering a healthy environment and safe neighborhoods
- ***It does NOT obligate you to volunteer although we would love your help if you're interested!***

We need your voice! Support us today by completing the form and sending your check made payable to "WICPTSA." Help determine what your child's school experience will include and be a vital part of their education process during their years here. We look forward to meeting you in person!

MISSION STATEMENT:

The West Irondequoit Central PTSA seeks to unite home, school and community as advocates for the health, education and well being of all children so they may become productive citizens in tomorrow's world.

We are a Central PTSA so there is no need to join at each child's school. This allows us to contribute to the whole district as well as each of the ten individual schools.

An individual membership is \$15.00 and includes the popular (and extremely helpful) calendar.

Additional household memberships (spouses, children, etc.) are \$5.00 each and includes a second calendar.

We hope you'll consider supporting West Irondequoit Central PTSA. Volunteering or attending meetings **is not required**, but your participation is always appreciated and encouraged. It's a great way to meet your children's administrators, teachers, classmates and to learn more about your school community.

Check out our website at www.wicptsa.org for more information.

Please contact our WICPTSA Membership Chairs with any questions.
